J.D. McKnight - With more than 20 years of experience in law enforcement, McKnight is a distinguished expert who is a state/federal certified peace officer and SWAT qualified sniper. McKnight currently holds commissions with B.I.A., S.U.P.D., and the La Plata County Sheriff's office. He has been an instructor at S.W. Colorado Regional Law Enforcement Academy and has taught the concealed weapons class since 1995.

J.D. McKnight uses a combination of classroom, applied experience, practical knowledge, and hands-on experience to provide the student with a course in a structured learning environment for classroom and a safe comprehensive hands-on range experience enabling the student to continue to teach themselves. Experienced shooters will be individually instructed in advanced techniques, while being encouraged to progress at their own rate. All students will learn a common skill set that includes target, self-defense, and combat practical exercises.
